

American - #5010

BIFMA Tested and Approved for durability against heavy commercial use.

Constructed of premium grade hardwood. Solid wood **corner blocks**, secured by two wood bolts and four wood screws, distribute pressure throughout frame. All joints are glued, screwed, and connected by **mortise and tenon**. Legs are secured to the seat pan using durable wood bolts. Critical pressure points are reinforced with heavy duty **L brackets**. Seven stage staining process maintains furniture finish.

STANDARD FEATURES:

- Available in 5 finishes
- 1" thick solid wood seat or 2" thick high density foam padded seat
- White nylon glides

For a full range of upholstery fabrics, vinyl, and additional frame finishes see
