- #800-125

Constructed of 18-gauge, 1.25" diameter steel. Continuous root welds at stress points assure durability and longevity under intensive commercial use. American made, 7 degree pitched, full 48 ball bearing swivel mechanism offers 360 degree turning. 3" thick solid wood seat with 2" foam padding. Curved, foam padded, plywood backrest. Heavy vinyl upholstery with double stitched welt cord assures durability and resistance to wear.
